

## Improving grants administration by NSW Government agencies

The **Audit Office of NSW** is auditing the administration of grants by NSW Government agencies.

The Audit Office invites Local Government and non-Government organisations who have applied for, or received, NSW Government grants to complete a short 15 minute survey.

Your views can help inform recommendations to improve the grants system.

To participate, please click on the following link to register:

<http://www.orima.com/aonsw/registration.php>

Registration details will only be used for survey. Your responses will be treated as CONFIDENTIAL and the identification of individuals or organisations will not be possible.

The survey will close on **6 June 2008** and the Audit Office will report to parliament on grants later this year.
