

Appendix three – List of funded projects - Regional Cultural Fund

Round One

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Albury City Council	1,300,000	Liberal Party	Albury City Council will extend the Pumphouse Makerspace with an additional 54.5m ² for a reception, office space, toilet facilities and a small courtyard. They will purchase tools and equipment to fit out the space. 'A Month in the Country' farmhouse will receive comprehensive work including new roofing, electrical and plumbing works. The interior will be upgraded with work occurring in the kitchen, bathroom, flooring and climate control. The House will also receive a climate control upgrade and an electrical upgrade to three-phase power.
Armidale and Region Aboriginal Cultural Centre and Keeping Place Inc	846,000	National Party	This funding will enable the Armidale and Region Aboriginal Cultural Centre and Keeping Place (ACCKP) to complete its gallery works, car park, footpath and landscaping and will allow them to install solar panels on the building. Being the only fully operating Aboriginal cultural centre and keeping place in the New England North West region, the ACCKP has become a significant venue for the community and the surrounding regions.
Arts Council of Gulgong Inc.	14,441	National Party	This project involves creating 40 exhibition display panels which will be used by Gulgong Arts Council for annual exhibitions, members exhibitions, individual exhibitions and members workshops. The sturdy, lightweight panels can be used in multiple configurations to utilise maximum display and floor space areas.
Ballina Shire Council	158,480	The Greens	The heritage-listed former Ballina Fire Station is to be re-born as 'Ignite Studios', a multi-disciplinary arts facility offering accessible creative studio spaces, dedicated workshop/project spaces and a visiting artist-in-residence space. This grant will also fund sustainable lighting upgrades for the Northern Rivers Community Gallery and the temporary engagement of a consultant to champion strategic development and partnership opportunities for the gallery.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Bathurst Regional Council	79,254	National Party	The City Hall of the Bathurst Memorial Entertainment Centre (BMEC) will receive many upgrades, including the installation of a rectangular grid truss, signal and power reticulation, replacement of scenery battens used for scenery and lighting, a wireless communication system for the Hall and Theatre and the replacement of the theatre sound console. These upgrades will ensure the City Hall and BMEC are able to accommodate the requirements of a diverse range of performances and stage designs to support future productions.
Batlow Development League	44,393	Liberal Party	The Batlow Literary Institute is an iconic building with great historic and cultural value to the local community and this funding will allow the facility to 'ring out' again with new stage lighting, sound equipment and retractable exhibition walls. The venue with its vaulted ceiling, picture theatre balcony and seating, deep stage and commercial kitchen, will be upgraded to stage arts, cultural and recreational events for all the community.
Berrima District Historical and Family History Society Inc.	113,324	Liberal Party	The Berrima District Museum will initiate the first stage of its Masterplan beginning with the fit-out of two new exhibition spaces and the introduction of new digital content. It will also include three large new showcases containing a significant proportion of the Museum's collection which will be installed for visitors to experience and discover.
Binnaway Rail Heritage and Preservation Group Inc.	80,212	National Party	Binnaway Rail Heritage Group Inc. will commemorate the Centenary of Rail by erecting an open-air museum with interpretation panels to display historical objects including rolling stock and tools.
Bourke Arts Council	60,000	National Party	Bourke Art Council (BAC) will refurbish a disused building into a pottery centre. Works will include the fit-out of the building, installation of reverse cycle air-conditioning and installation of a solar panels, along with the purchase of equipment including kilns, a slab roller, pottery wheels and associated tools.
Bundanon Trust	8,592,299	Liberal Party	When the Riversdale Masterplan is realised it will provide a permanent home for Arthur Boyd's generous gift to the Australian people of the nationally significant Boyd art collection. The expanded Riversdale will be open to the public five days a week, offering expanded public programs and providing new accommodation for artist groups, residential education and related event purposes. It will also enable the Bundanon Trust to grow its valuable community engagement work connecting disadvantaged people with the arts, with a focus on Aboriginal and at-risk youth.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Bunker Cartoon Gallery Inc.	37,368	National Party	The Bunker Cartoon Gallery is home to a valuable collection of more than 23,000 original cartoons dating back to the middle of last Century. These works have a unique place in recording a comedic view of Australian history, and it is viewed as essential that this collection is adequately housed, displayed and the artform protected. To achieve this, the Gallery will receive a specialised compactus storage unit which can store and protect 30,000 original cartoon artworks, new sound and projection equipment including a projector, laptop computer, internal speakers, screen, TV and microphones and an upgrade of existing touch screen installation, computer and POS system. Low energy lighting will also be installed to ensure all works in the gallery are well lit to further enhance the visitor experience.
Byron Writers Festival	80,100	The Greens	'Writers on the Road' brings leading Australian authors to regional towns in northern NSW, extending the activities of the Byron Writers Festival and its school program StoryBoard. The authors run free creative writing workshops in schools and literary events in communities. 'Writers on the Road' extends the reach and use of the StoryBoard bus, a mobile piece of artistic infrastructure containing a library, miniature writing room and creative resources. It celebrates and extends the power of books, stories and writing to create connection and a sense of community.
Clarence Valley Council	7,621,480	National Party	The rejuvenated and expanded Grafton Regional Gallery will deliver a regional arts and creative destination for the Clarence Valley. The project will provide a new, national standard, main gallery and storage for the collection above flood level. Repurposed workshop and exhibition facilities will improve and expand events and artist engagement and increase visitor accessibility. Energy-efficient cooling and heating will improve the sustainability of the gallery and enhance the visitor experience.
Cobar Shire Council	295,603	National Party	Weatherproofing the Great Cobar Heritage Centre will preserve the building and its wonderful collection of exhibits and artefacts. The building needs a chemical damp course to stop rising damp and salinity and a new roof, windows and doors to stop water and dust entering and to reduce pest incursions. The weatherproofed centre will allow better use of the existing space including increased exhibition space, improved safety and a more comfortable experience for visitors.

Coffs Harbour Creative Arts Group Inc.	31,236	National Party	In 2016 Coffs Harbour Creative Arts Group Inc. (CHCAG) embarked on a four-staged project to improve the gallery facilities. This funding will support the completion of stage three, which includes installing insulation and ceilings in the main workroom and the Gallery, installing air conditioning and new glass doors, refitting lighting and fans as well as repainting the internal space.
Creative Mullumbimby Inc.	25,928	The Greens	Funding will enable the creation of 'The Ark' – a solar powered shipping container equipped and fitted-out as an off-grid workshop, shelter, stage, and store. This project will help promote and support public art installation, performance, circus, community events and festivals in Mullumbimby and surrounding regions. The Ark will include a 1KW off-grid solar power system, benches, storage facilities, mobile stage units and a lighting rig that will support remote performances, art installations, small scale fabrications and administration of community events. The facility will be developed and tested in the context of small community art projects in 2018 before being available for loan or hire from early 2019.
Dubbo Regional Council and Old Dubbo Gaol	600,000	National Party	The redevelopment of the Old Dubbo Gaol exhibition will create opportunities to increase cultural tourism to this state heritage listed site and the Dubbo region. The upgrade will further strengthen the visitor experience to meet the current and future needs of a wide demographic including cultural tourism, educational tourism, entertainment, those visiting friends and relatives and general destination tourists.
Flying Fruit Fly (Circus) Foundation	43,497	Liberal Party	The expansion of facilities at Australia's youth circus headquarters in Albury will introduce major new circus apparatus to the open access programs of the celebrated Flying Fruit Fly Circus. This will significantly increase capacity and enhance community participation. Sustainability of the building will also be improved with new solar panels expected to significantly reduce power costs.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Goulburn Mulwaree Council	4,500,000	Liberal Party	<p>Goulburn's historic Old Town Hall will soon be redeveloped into a state-of-the-art performing arts centre for the region. A contemporary extension to the original 1887 building will create a 440-seat auditorium with tiered seating on two levels, and full front and back-of-house services including a café and bar. The theatre will have the highest technical specifications to facilitate use for theatrical, music, dance and spoken word performances. The foyer will be able to be converted to a small performance space for an audience of 100 or be used for larger conferences and events. Currently Goulburn does not have a professional standard performing arts venue, so this project will transform the cultural life of the region.</p>
Goulburn Regional Conservatorium	1,300,000	Liberal Party	<p>The development of a creative precinct and renewed facilities will provide a central creative space for Goulburn's local community to collaborate and stimulate imaginations. The precinct will offer spaces for rehearsal, performance, professional development, community collaboration and creative exploration. Located in central Goulburn and part of the Goulburn Regional Conservatorium facilities, this creative and innovative precinct will provide a wide range of opportunities for regional cultural enrichment and increase access and participation in the arts.</p>
Great Lakes Art Society	49,513	National Party	<p>This funding will allow the Great Lakes Art Society to renovate the interior storage, kitchen and office area of their Gallery. The funding will also enable the society to create additional exhibition space, install a contemporary lighting system and construct a reception desk. The facility provides significant recreational, educational and social benefits to the people of the greater Forster/Tuncurry region, especially those with mental and physical health issues.</p>

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Griffith City Council	663,175	National Party	Griffith Regional Theatre will receive a major upgrade and revitalisation of its current facilities. Upgrades will include; new public toilets that meet accessibility standards and include a parents' room, the expansion and enhancement of the foyer area with outdoor spaces to increase flexibility and the renovation of dressing rooms (including bathroom facilities). Air-conditioning will also be installed in the Burley Griffin Room – the cabaret and meeting space, as well as a new lighting desk to support current multi-channel lighting systems for local and touring productions. New acoustic panelling in the auditorium will be installed to help reduce feedback and improve sound quality particularly for hearing impaired patrons.
Gulgong Holtermann Museum	198,240	National Party	The Gulgong Holtermann Museum is being upgraded so that it can showcase the UNESCO-listed Holtermann Collection of photographs as well as provide community exhibition and workspaces. The next stage of the project is the design, creation and setting up of the interpretative and interactive exhibition together with the fit-out of the new facility into restored gold rush buildings and newly constructed galleries. The State Library of NSW has been providing key advice and support for the exhibition which will allow visitors to interact with this outstanding collection of photographs.
Guyra and District Historical Society Inc.	60,000	National Party	The Guyra Historical Museum will undergo a major refurbishment and renovation, which includes painting the whole building, electrical and plumbing repairs, replacement of doors and flooring where necessary, and the temporary removal of all museum display objects whilst these works take place. The project also includes a new research space and upgrade of data research tools.
Hilltops Council	3,000,000	National Party	The centrepiece of a new Cultural, Community and Education Precinct in Young will enhance cultural opportunities for the whole community through access to state-of-the-art facilities not currently available in the region. Hilltops Council, in partnership with School Infrastructure NSW, is planning a purpose-built joint-use facility with Young High School to provide a joint-use library service and a range of other services that currently don't exist in the Hilltops community. These include an arts workshop and exhibition space, support for tertiary education, a proactive youth focussed wellbeing hub and a Wiradjuri learning and cultural centre.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Inverell Shire Council	26,440	National Party	The upgrade of the Inverell Town Hall annex will re-energise the arts landscape in Inverell by boosting the capacity of the 1905 venue to host a wider variety of events. Following the upgrade, the annex will host arts, cultural and heritage events including drama workshops, a pop-up theatre, short films, acoustic live music performance, contemporary dance, week-long artist-in-residence programs and visual art exhibitions.
Juneë Shire Council	48,800	National Party	The Juneë Athenium Theatre will benefit from the installation of commercial sound and lighting to complement the variety of events that occur at the venue. The project is a high priority for the Juneë Shire Council and the Friends of the Athenium Theatre who have played a major role in the planning and refurbishment of the theatre over many years.
Kyogle and District Historical Society Inc	130,000	National Party	The Kyogle and District Historical Society Inc. cares for a significant collection of antiques and historical memorabilia including over 6,000 photographs. The Society will fit out a new facility that will create a historical hub for the community, school tours and visitors. The vision is for a welcoming, vibrant place which inspires, informs and delights visitors with engaging exhibitions, stories and educational programs and activities.
Lake Macquarie City Council	735,789	Independent	Stage three of Lake Macquarie City Art Gallery's development will include an extended collection storage and exhibition space (including a dedicated space for contemporary Aboriginal arts practice), a covered outdoor programming space, a reconfigured entrance, a new efficient air-conditioning and additional photovoltaic panels. This project has become crucial due to rapidly growing audiences, higher demands for public/exhibition space, a rapidly developing collection (including from a bequest), the development and promotion of Aboriginal arts practice, and environmental imperatives to reduce carbon footprints.
Lake Macquarie City Council	1,346,661	Independent	The Speers Point Multi Arts Space will be a new multi-arts facility for the presentation of screen and digital art, performance and music, installations, workshops and offer a central hub for outdoor creative activity within Speers Point Park. The vision is for a contemporary, architect-designed space that will fulfil the expanded role the Council wants to play over the coming decade in nurturing creative development and provide access to quality arts and cultural experiences for residents and visitors.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Lithgow City Council	775,664	National Party	Lithgow's Union Theatre will be transformed to support increased participation in a thriving arts and cultural sector in the local community and region. The project involves enhancing the back-of-house facilities, upgrading audio and lighting equipment, new lifts, staging, curtains and dress room facilities.
Lockhart Shire Council	72,920	Liberal Party	The Greens Gunyah Museum in Lockhart will expand into an adjacent building and redesign its display of nationally significant machinery. There will be safe, accessible spaces for all visitors and additional space for machinery and rural-related exhibitions. The project is a partnership between Lockhart Shire Council and the Greens Gunyah Museum (Lockhart and District Historical Society).
Mid Coast Council	20,959	National Party	This funding will allow Mid Coast Council to commission architectural plans, construction drawings and theatre consultant plans for a versatile flat-floor performance and rehearsal space at the Manning Entertainment Centre in Taree.
Mid Coast Council	58,393	National Party	The Manning Entertainment Centre will install new sound equipment, including speakers and amplifiers which will meet the specific needs of the Entertainment Centre. The Manning Entertainment Centre ('MEC') is in Taree and is the only performing arts centre in the region. The MEC hosts 95 performances each year with annual audiences of 27,000 people. This sound upgrade will mean that the MEC is better equipped to host performances by major touring acts as well as by local performers, amateur theatre groups and schools.
Mid Coast Council	1,550,000	National Party	This project will enable Mid Coast Council to construct and fit-out a versatile flat-floor performance and rehearsal space at the Manning Entertainment Centre in Taree. The new space will provide affordable rehearsal space as well as an intimate and versatile performance space for local performers. It will also allow for professional touring products such as cabaret, comedy, film screenings, chamber and contemporary music that local audiences are not currently able to experience due to the current limitations of the venue.
Mid Coast Council	80,000	National Party	This project will help fund the revitalisation of the Manning Regional Art Gallery to better serve, connect and engage with the communities of the Mid Coast region, by improving access and facilities, creating an Artist-in-residence studio space as well as new exhibition space to support both emerging and local artists.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Moree Plains Shire Council	1,052,182	National Party	The Moree Civic Precinct – incorporating the Memorial Hall, Banquet Hall and Moree Plains Library – is an iconic 1923 building set in the heart of Moree’s main street. It has long been the home of the dramatic arts for the region. However, it needs redevelopment to satisfy the current and future requirements of theatrical and dance groups, visiting stage shows, schools and community groups. The redevelopment will improve heating and cooling, access, amenities, acoustics, and fire safety. It will also provide access for people with a disability and a safe and modern stage.
Murrah Hall Preservation Association Inc.	70,000	Liberal Party	The Murrah Metamorphosis aims to increase the accessibility, viability and cultural reach of the historic Murrah Hall by equipping it with a portable in-house public address system and digital lighting for live music and theatre. The Murrah Metamorphosis has the support of the local community, Bega Valley Shire Council, South East Arts, and visiting and local artists.
Muswellbrook Shire Council	28,000	National Party	Anchored by the Muswellbrook Art Prize and presented by Muswellbrook Regional Art Centre, Culture Harvest is an Autumn Celebration with a three-day program of visual art, contemporary dance, music and performance. This project aims to broaden the awareness of the Art Prize, engage new audiences for the Muswellbrook Regional Art Centre and promote the cultural vibrancy of the Upper Hunter. The Festival is a partnership between Muswellbrook Regional Art Centre, Muswellbrook Council, Arts Upper Hunter, the Upper Hunter Conservatorium of Music and Catapult Dance.
Muswellbrook Shire Council	135,300	National Party	Muswellbrook Regional Art Centre, the premier gallery for the Upper Hunter region, will install an updated climate control system to protect the significant Max Watters Collection and other artworks and meet the standards required to host travelling exhibitions and ensure the comfort of staff and visitors. The centre’s upgrade also includes energy-efficient LED lighting for the gallery space and a modern sound system for multi-media installations and public events.

NAISDA Dance College	117,164	Labor Party	NAISDA plans to develop its current NSW Central Coast campus into a flagship, international precinct for Indigenous creative learning to be called Naya Wa Yugali which means 'we dance' in Darkinjung language. The new precinct will be a 'ngura', a gathering place where Indigenous artists from across the world can meet and exchange ideas, knowledge and skills. It will be a learning hub, offering a unique understanding of the development of Australian and international contemporary Indigenous dance for Australian students and arts practitioners, and will include a state-of-the-art auditorium which can also host visiting performance companies.
Nambucca Community and Arts Centre Committee of Management	40,534	National Party	The Nambucca Community and Arts building, originally a School of Arts built in 1890 will receive a stage lighting upgrade, new stage curtains and refurbishment to the timber floors.
Nambucca Shire Council	32,500	National Party	The existing historical Bowraville Theatre will receive new lighting, sound and wiring that will enhance the delivery of all performances held at this historical venue, in addition to reducing electricity and energy usage. With these upgrades the Bowraville Theatre is set to be the 'go-to' venue in the Nambucca Valley and will vastly improve performers and visitor's experiences.
Narrabri Shire Council	9,480	National Party	Narrabri Shire Council will purchase an outdoor cinema screen and operating accessories for use throughout the shire (and adjoining shires when requested). It will provide cinematic, cultural and artistic experiences for the broader community and be available for community fundraising activities. The equipment will be based in Narrabri and transported to various locations as needed to serve the needs of community groups, outlying towns and neighbouring shires.
Northern Rivers Conservatorium	636,172	National Party	The refurbishment of the Northern Rivers Conservatorium's historic building will improve access for all members of the community through the installation of a lift and internal ramps and upgrade of all amenities. The teaching, administrative and public spaces will also be refurbished so that the physical space reflects the excellence of the conservatorium's music education, presentation and participation activities.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Orange City Council	4,052,990	Shooters, Fishers and Farmers Party	Extending the Orange Regional Gallery will provide additional storage and exhibition spaces and enable the gallery to resume acquiring modern and contemporary works. It will then be able to capitalise on its current reputation through the increased exhibition of those works, ensuring its continuing relevance as a collecting institution for future generations.
Parkes Shire Council	2,000,000	Shooters, Fishers and Farmers Party	Parkes Shire Library will reinvent itself with an innovative and modern expansion project to deliver new dynamic art and cultural spaces including a gallery and an intergenerational maker space. The new architect-designed indoor and outdoor space will also provide areas for children's programs, meetings, quiet study, connecting with technology, and green space. The communities of Parkes, Peak Hill, Trundle, Tullamore, Cookamidgera and Bogan Gate will benefit from this project.
Queanbeyan Palerang Council	40,000	National Party	Finders Keepers funding will enable the creation of a vibrant arts shopfront located within The Q Exhibition Space in the Queanbeyan Performing Arts Centre. Funding will assist to fit-out the first third of the current exhibition space to operate as a shopfront to promote, profile and sell high quality, locally produced art and craft of the Queanbeyan-Palerang region. The shopfront will fill a niche gap in the regional marketplace.
Queanbeyan Palerang Regional Council	999,000	National Party	Refurbishment will transform the Bicentennial Hall into a functional and multi-purpose space, allowing it to form part of a 'cultural hub' and provide a sought-after venue for current and potential users in the performing arts, visual arts, community and culture.
Saltwater Freshwater Arts Alliance	74,050	National Party	The Saltwater Freshwater Exhibition and Aboriginal Art Award will tour to the Glasshouse Regional Gallery in Port Macquarie, Coffs Harbour Regional Gallery, Manning Regional Gallery in Taree and the Wadjar Regional Aboriginal Art Gallery. The Saltwater Freshwater Arts Alliance will run arts and cultural programs in conjunction with the exhibition including engaging an independent Aboriginal curator to mentor an Aboriginal artist from each area.
Scone Films Inc.	45,916	National Party	Scone Films Inc. will purchase and install digital cinema screening and audio equipment and train volunteers in its use to enable film screenings and an annual short film festival. This project will ensure that Scone Films are able to continue screening current and vibrant films.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Spiral Gallery Co-operative Ltd	18,000	Liberal Party	For its 20th year, the Spiral Gallery will undergo renovations and refurbishments to improve the exhibition, kitchen, office and collection spaces, including the installation of a new hanging system which will improve overall exhibition standards, enable effective double hanging of artworks and shorten installation time.
Sulphide Street Railway and Historical Museum Trust	23,526	National Party	The 1920-40s Johns Bros Joyland fun fair collection will finally have a permanent home with the construction and fit-out of a shed to house this significant element of Broken Hill's social and recreational history. The collection includes a merry-go-round, clowns, mini greyhound track, enamel signs and more.
Tamworth Regional Council	52,805	National Party	The revitalisation of the Barraba Museum will provide essential upgrades to the museum buildings to better support site activation, place making and access to the museum and its collection. This volunteer run museum requires essential building maintenance to provide a safe, secure and accessible museum that adequately cares for its collection.
Tamworth Regional Gallery	58,500	National Party	TRANSMIT will provide large-scale portable and permanent digital screens to enable community wide access to events occurring in places such as state galleries and universities. It will also support education programs for all ages and abilities. The screens will be located inside the Tamworth Regional Gallery and in other locations in the region. TRANSMIT supports access to the arts in regional Australia, the principle priority of the gallery since it opened nearly 100 years ago. TRANSMIT was launched on the gallery's centenary 1 June 2019.
Taree Film Society Inc.	58,802	National Party	The installation of a Digital Cinema Initiatives (DCI) projector at the Manning Valley Visitors Information Centre will utilise the current seating, sound system and screen to ensure its continued operation and ability to increase the frequency of the screening programme. This upgrade will enable the Society to continue to collaborate with community partners and to facilitate a film festival for the Manning Valley.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
The Arts Centre Cootamundra	60,000	National Party	The Arts Centre Cootamundra Fulcrum Project is an organisational capacity building project that focuses on soft infrastructure – its people: volunteers, board and community. A decade of renovations and building, including more than 7,000 hours of volunteer labour, has created a wonderful venue of great cultural and financial value to the community. The next phase for the arts centre demands increased skills in governance, administration and engagement to realise its full community potential. Fulcrum will act as a catalyst to improve the processes and engagement of the organisation and place it on track to increase its self-sustainability.
The CORRIDOR project	142,715	National Party	Funding will develop a prototype for a fully relocatable Museum of Visual Exchange (MOVE), self-contained exhibition venue. A temporal museum based on a commercial building typology providing a hermetic environment to connect arts, sites and communities. The concept for MOVE is born out of a recognition that there are severe restrictions and limitations for the display of gallery and museum-based exhibitions outside of major institutions. Consideration of the limited access and exchange experienced by communities and audiences who are not traditionally reached through major art institutions has motivated this project.
The Wired Lab	64,124	National Party	The Wired Lab will utilise the funds to support the installation and fit-out of two insulated shipping containers for secure storage purposes, and the purchase of infrastructure including a PA system, an inflatable screen, and data projector to offer a mobile outdoor cinema experience and a high-quality PA (for screenings and live performance) across the Eastern Riverina/South West Slopes districts and surrounds.
Tilligerry Arts Group Inc.	3,806	Country Labor Party	The ongoing renovation and refurbishment of the old Lemon Tree Passage Rural Fire Brigade building will transform it into an art gallery, workshop/meeting venue and source of community information.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Tweed Unlimited Arts Inc.	20,100	National Party	Tweed Unlimited Arts Inc. will receive a new kiln, ventilation system and window upgrades to provide better facilities for its art and creative groups, which includes; spinning and weaving, creative fibre arts, pottery, four art groups (using various media), patchwork and quilting, mixed needlework/creative crafts and cake decorating. As part of this upgrade Tweed Unlimited Arts Inc. will also install two accessible parking spaces which will provide improved access to the facilities.
Uralla Shire Council	16,196	National Party	Uralla Shire Council has been approached by Local Aboriginal Elders wishing to loan or donate artefacts to preserve and assist the community in learning about local cultural heritage. This display will offer a diverse and distinctive cultural experience by encouraging development and growth in the regional cultural sector. The cabinets will be placed in the soon-to-be-upgraded Visitor Information Centre allowing tourists and locals to experience and learn about the local Aboriginal Culture and strengthen the relationships between the Local Elders, Uralla Shire Council, the local Community and the high tourist market.
Valley Movies Inc.	42,699	Liberal Party	This Project will install high quality audio-visual equipment at the Kangaroo Valley Hall including a motorised screen; projector and Blu-ray player; surround sound system with amplifiers; and hearing augmentation. The Hall is a Council owned and managed heritage building, which is used by many community groups for a variety of purposes, as well as being available for hire to other groups and individuals. The Project will allow for screening of movies or other visual mediums for entertainment or educational purposes, as well as providing opportunities for holding and supporting cultural and community events.
Wagga Wagga City Council	3,188,383	Liberal Party	Funding will be used to redevelop the exhibition and collection storage spaces at the Museum of the Riverina's Botanic Gardens site. The Museum of the Riverina is a collecting institution that services a large region and includes an outreach service supporting volunteer community museums throughout the region.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Warren Shire Council	90,618	National Party	The Warren Sport and Cultural Centre is the only centre for art and cultural events and activities in Warren Shire. It is used for dance including Aboriginal dance, music and theatre performances, movies and art exhibitions. The upgrade will include tiered seating, a projector and screen, audio facilities, spotlights and retractable doors (to create a separate area for either a green room or other smaller cultural activities) to enable the cultural, economic and social advancement of Warren.
Wauchope Community Arts Council	22,800	National Party	The Wauchope Community Arts Hall's auditorium will be upgraded with new stage units including four lightweight portable units and brand-new seating. Wauchope Community Arts Council also received a Community Grant of \$5,500 from Port Macquarie-Hastings Council which was spent on new sound and lighting equipment.
West Darling Arts	59,712	National Party	Screen Broken Hill will develop an unused space above the Post Office in Broken Hill into a film, TV and digital hub. Establishing this physical hub will meet an urgent community need for a collaborative, affordable co-working space in the heart of town for local and visiting filmmakers and digital artists. It will centralise and consolidate the local screen industry culture and strengthen opportunities available to the media industry of Broken Hill.
Yarrawarra Aboriginal Cultural Centre	103,757	National Party	The Yarrawarra Aboriginal Cultural Centre will undergo a refurbishment and upgrade of its existing buildings, in addition to the construction of an on-site pottery shed. The refurbishment will demonstrate the values and ideals of the local Aboriginal community and will ensure the collection is preserved properly and celebrated. The collection includes archaeological items, that trace nearly 4000 years of local history and the Centre itself provides important cultural services to regional and Aboriginal communities.

Round two

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Ballina Shire Council	1,833,502	The Greens	RCF funding will go to improvements to the Lennox Head Cultural and Community Centre's roofing and structural linings as well as air conditioning and a ventilation system in the Park Lane Theatre. These works will greatly improve the experience for performing artists and audiences alike.
Bathurst Regional Council	2,300,000	National Party	This large, new purpose-built collection facility in Bathurst will accommodate valuable and fragile collections, archives and other significant cultural items. It will also provide much needed storage, along with collection management services including cataloguing, preventative and material conservation treatment, curatorial inspection of collections, digitisation, a virtual classroom and onsite learning facilities.
Bellingen Shire Council	3,303,000	National Party	The Bellingen Memorial Hall is seeking to broaden arts and culture events and performances at the venue with the development of more lighting, stage and performance spaces. The project will encompass new amenities, change rooms, performance spaces, a kitchen, supper room and meetings rooms. The project will also improve accessibility.
Bellingen Shire Council	93,023	National Party	Bellingen Shire Council will provide an extension to the Urunga Library to create an accessible, multi-purpose meeting space for cultural activities on the NSW North Coast community. The room will be fitted out with the new technology for presentations and screenings.
Bishop's Lodge Management Committee	10,685	National Party	Supported by Hay Shire Council and the Hay Museum community, the RCF funds will make it possible to install and display objects and interpretative panels from the Bishop's Lodge Historic House and Garden collection, in the Riverina-Murray region.
Black Dog Management Pty Ltd	2,490,000	Liberal Party	RCF funding is going towards the development of The Southern Highlands Regional Gallery, in Bowral that will be situated on a property bequeathed to the National Trust by the late James Fairfax AC. Funding will permit the design, adaptive reuse and fit-out of the several spaces into a state-of-the-art regional gallery.

Grant recipient	Total grant allocation (\$)	Political representation at project location	Project description
Black Gully Printmakers	7,736	National Party	Black Gully Printmakers is a not-for-profit community group keeping the Museum of Printing at New England Regional Art Museum open to the public. Funding will allow for the creation of a permanent, yet portable exhibition system consisting of twenty-five adjustable and re-usable matching wooden exhibition frames of varying sizes; a hanging system, and a variety of matts and a matt cutter.
Brunswick Picture House Entertainment Limited	627,000	The Greens	Located in the Northern Rivers region, the Brunswick Picture House is a classic coastal construction, originally built in 1952.
