Dear Ms Crawford

**Re: Auditor-General's Report to Parliament - Members' Additional Entitlements 2022**

I refer to your report to Parliament on Members' Additional Entitlements 2022 and specifically to the following items titled:

**1. Enhanced public reporting of Members' expenditure claims**

The Department remains committed to implementing the enhanced public reporting of Members' expenditure claims as contained in the Annual Report and Determination of the Parliamentary Remuneration Tribunal dated 16 May 2018.

As indicated in previous years, the Department requires significant funding from NSW Treasury to develop appropriate systems in respect to the original recommendation put forward by the Audit Office. The Department will again submit a proposal for funding to NSW Treasury, as part of its 2023/24 budget cycle.

Yours sincerely
