

# Appendix two – DCJ’s Organisational Structure for Child Protection

Note: Until May 2023, the Deputy Secretary (Housing, Disability, District Services and Disaster Welfare) was also responsible for operational child protection. However, this has recently been consolidated into one role, the Deputy Secretary (Child Protection and Permanency, District and Youth Justice Services). In early 2024, the Deputy Secretary (Housing, Disability and District Services and Disaster Welfare) role was abolished and all Executive Directors reported directly to the Deputy Secretary (Child Protection and Permanency, District and Youth Justice Services).
